

Plumbing Installer Job Description Template

Job Title: Plumbing Installer

Location: _____

Company: _____

Employment Type: Full-Time/Part-Time/Contract

About Us:

_____ is a leading plumbing service provider specializing in residential and commercial installations. We pride ourselves on delivering top-notch service and building lasting relationships with our clients. As we continue to grow, we're looking to add a skilled Plumbing Installer to our team who shares our commitment to quality and customer satisfaction.

Job Summary:

We are seeking an experienced Plumbing Installer to join our team. The ideal candidate will be responsible for installing, maintaining, and repairing plumbing systems in accordance with local codes and company standards. This role requires technical expertise, attention to detail, and a dedication to delivering excellent service to our customers.

Key Responsibilities:

- Install, repair, and maintain plumbing systems in residential and commercial properties.
- Interpret blueprints and building specifications to map layout for pipes, drainage systems, and other plumbing materials.
- Collaborate with general contractors, electricians, and other construction professionals.
- Inspect and test plumbing systems for safety, functionality, and code compliance.
- Diagnose plumbing issues and recommend effective solutions.
- Perform routine maintenance on plumbing systems and fixtures.
- Ensure compliance with local plumbing codes and safety regulations.
- Maintain a clean and organized work area, and properly dispose of materials.
- Provide excellent customer service by addressing customer concerns and explaining work performed.
- Keep accurate records of work completed and materials used.

Qualifications:

- High school diploma or equivalent; technical training or apprenticeship in plumbing preferred.
- Valid plumbing license or certification as required by local regulations.
- Years of experience as a plumbing installer or similar role.
- Strong knowledge of plumbing systems, tools, and equipment.
- Ability to read and interpret blueprints and technical drawings.
- Excellent problem-solving skills and attention to detail.
- Strong communication and interpersonal skills.
- Ability to work independently and as part of a team.
- Physical stamina and the ability to work in various environments and weather conditions.
- Valid driver's license and reliable transportation.

Qualifications:

- Competitive salary based on experience.
- Opportunities for professional growth and development.
- Comprehensive benefits package, including health insurance, retirement plan, and paid time off.
- Supportive and collaborative work environment.
- Ongoing training to keep up with industry trends and advancements.

How to Apply:

If you are a skilled Plumbing Installer looking to join a dynamic team, we would love to hear from you! Please submit your resume and a brief cover letter to _____ or apply online at _____.
